

Hello my name is Misoji Charles

I would like to thank the Lord for his Love towards me. He has helped me in my form two results, though I have not done very well but I still thank him for there are some of my fellow classmates who have failed form two they have not get the opportunity to continue with their secondary studies. May my Great thanks reach you all my care workers and all the Bethany supporters for showing love, caring and kindness to me. For I have passed through many difficult times and challenges that even made me to sometimes give up for life but you were there to encourage me so as I may not give up for life. I know that my results does not scitify anyone including myself and I can not blame anyone for my own lazyness, I could have done well only if I had studied hard and harder. Therefore I am going to make sure that I study hard so as I my get division one or two in all my exams from this year untill 2022 when I will be completing my Form Four, for I believe that everyone can do all things through christ who gives us strength and wisdom. May the grace and the Love of our Lord Jesus christ be with you all my care workers and all the Bethany supporters, I Love you all.

May God bless the works of your hands and hands Forever.
