

# **IQ Test**

from [personality-testing.info](http://personality-testing.info)

**Introduction**

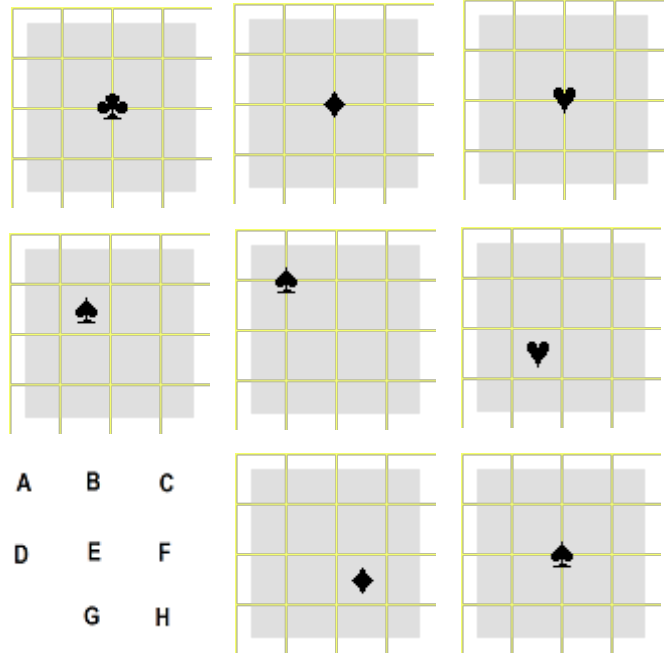

This is an IQ test loosely modeled after Raven's Progressive Matrices. It was normed on an internet sample.

**Procedure**

This test has 25 questions which start on the next page. The last page has scoring instructions.

The questions take the form of a 3x3 matrix from which one tile is missing. For each question there are eight possible answers A-H. You must choose the tile that completes that matrix best.
